

NAVAL APPROPRIATION BILL IS BITTERLY ASSAILED --- LEADERS BOTH PARTIES SHOW OPPOSITION

WASHINGTON, May 12.—The half billion dollar appropriation bill was taken up today in the senate only to encounter immediate opposition from the advocates of disarmament.

Reading of the senate naval affairs committee amendment had scarcely begun when the first round of the bitterest fight was heard. The first amendment slightly increasing the appropriations of the bill as passed by the house were accepted without discussion, but when the amendment was reached to increase the sum available for recruiting by a million dollars Senator Borah, republican,

can, Idaho, leader of the disarmament forces, asked that it be passed over until the senate takes up the question of naval personnel.

This request by Senator Borah was repeated time after time, with the result that when the day's consideration ended, practically all of the major increases in the first of the half bill had been passed.

The disarmament forces through Senator King, democrat, also let loose on the bill a general attack, the Utah senator contending that continuation of the 1918 building program was a waste of money.

KIWANIS CLUB CONVENTION TO BE HELD AT CLEVELAND IN JUNE

Special to The News:

CLEVELAND, O., May 12.—Celebrities of national and international repute will be invited guests at the International Kiwanis Club convention here June 20-25.

Chief among distinguished guests expected is President Warren G. Harding, a member of the Marion Ohio Kiwanis Club. A special committee composed of Dr. George T. Harding Jr., a brother of the president, of Columbus, O.; Ed. F. Ames, of Columbus, an international trustee, and United States Senator Frank B. Willis, was appointed to extend the invitation to come to the convention to the president. The committee was named by the International Kiwanis board.

Among others to be invited will be President Obregon of Mexico, who is an honorary member of the El Paso (Texas) Kiwanis Club, the prince of Wales, honorary member of the Montreal (Canada) Club, King's Counsel Elliott of the Montreal (Canada) Club, the premier of Canada, William Graves Sharpe, former United States ambassador to France, of the Ellysia (Ohio) Kiwanis Club; United States Senators Frank B.

Willis of the Delaware (Ohio) Club, and Alton Pomeroy of the Canton (Ohio) Club.

The Kiwanians' membership of 50,000 business and professional men in 400 cities of the United States and Canada includes hundreds of well known men. On the club's roster are governors, senators, congressmen, diplomats and other public officials. A big number of these officials are expected at the big June gathering of Kiwanians.

Each day brings word to Cleveland convention headquarters in charge of Dean Clark of Chicago, assistant international secretary, that the age of the delegations from various cities is being increased. Initial reservations for clubs have been made by most of the clubs, although requests for reservations are still coming in. To give an idea of the size of delegations, as judged from initial reservations, Houston, Texas, will have at least 80 representatives; Atlanta, Ga., 75; Toronto, Canada, 60. Other cities nearer Cleveland will send larger delegations. The total attendance is expected to be 8,000.

Houston, Tex., and Toronto, Canada, both are working hard for the 1922 convention.

CLARENDON BANKS ARE ENJOYING PROSPERITY

Special to The News:

CLARENDON, Texas, May 12.—Two state banks in Clarendon in their recent statement to the Commissioner of Insurance and Banking, show a total of deposits of \$1,039,407.91, with cash on hand of \$877,239.04. The two institutions show a total of resources of \$1,239,676.19.

A perusal of these statements do not show any panicky times in Clarendon, as the other bank in the town—a national bank—will show an equal good report, and all to the total of the resources of the banking interests of the city.

Business conditions have been improving since the business depression of last fall, and much optimism is apparent among the merchants and the people generally.

MANY OLD SOLDIERS ARE PASSING AWAY

The rapid declination of the ranks of W. B. Platoon Camp of Confederate Veterans, of Amarillo, is indicated by the list of deaths occurring since December 1919, as furnished the Confederate Veteran magazine by H. R. Albright.

BOY SCOUT COUNCILS ARE BEING ORGANIZED

Special to The News:

HOUSTON, May 12.—A. C. Dunn, of Dallas, Deputy Regional Executive of the Boy Scouts of America, addressed the Board of Directors of the local Chamber of Commerce at a meeting held last Friday, in which he outlined a plan to form the various troops existing in some twelve towns throughout this section into a district and place them under the supervision and direction of a district executive with headquarters at some central point.

The plan involves the formation of local councils of from fifteen to twenty men in each town where one or more troops now exist or will be organized in the future. An overhead council will then be formed, consisting of about five members from each local council in the district. Appropriate representation of each overhead or district council will be had upon the State Council. Large summer camps and similar movements and undertakings will be planned and executed through the local and overhead councils, co-operating with the scout masters of the respective towns.

Dunn requested the Board of Directors to agree to finance the trip of three representatives to a meeting which will be held at some suitable point in the near future, at which time the size of the budget needed to carry out the plan and the apportioning of same among the affiliated towns, election of overhead council and other matters will be worked out. The directors agreed to do this, naming three delegates and limiting them to a quota of \$400 on the budget which may be decided upon. It is understood that the Rotary Club of Corpus Christi has extended these delegates an invitation to hold their meeting at that point and be their guest at a luncheon on the date set.

When the Stomach is Weak take FORCE, the Master Rebuilder. This wonderful tonic is a refreshing appetizer and ready aid to digestion, because of its tendency to strengthen and increase the functional activity of the stomach. Its invigorating stimulation produces a natural flow of the gastric juices, aiding the stomach to properly assimilate and easily digest the food taken into it. Hence, FORCE is agreeable to the most delicate system. It never nauseates.

FORCE is sold by reliable druggists everywhere, and is equally beneficial to men, women and children.
